

JOB DESCRIPTION

JOB TITLE:	Procurement Manager
MANAGED BY:	Head of Commercial
GRADE:	10

BACKGROUND

The West of England Combined Authority is seeking to appoint a Procurement Manager to join the Commercial team.

This is an exciting time to join the West of England Combined Authority. In the last year nearly three quarters of a billion pounds of new investment has been secured for the region. New plans are in place to deliver on Mayoral priorities to improve transport, skills and housing for our residents, take decisive action to tackle the climate emergency, and to support communities facing the cost-of-living crisis. There is a relentless focus on delivery to put the West of England on the map for regional, national and global success.

Led by the regional Metro Mayor, the West of England Combined Authority brings together three local councils, the Local Enterprise Partnership and works with communities, other public services, and industry to deliver for the region.

You will be a key player as we create West of England Sustainable Transport. We are delivering on the big transport improvements people in the region need and deserve, changing how people travel, making journeys affordable, reliable, enjoyable, and safe.

Come and help shape the future of the West of England, a place so many people are proud to call home.

THE ROLE

The Authority requires delivery of a diverse range of services. The diverse Procurement portfolio consists of multi-million pound transport and infrastructure programmes and professional services which support the organisation to achieve ambitious economic growth and investment outcomes in the region.

This role is directly responsible for:

- Procurement Officers

The Commercial function works in a matrix management style delivering services to its

internal customers for all permanent and interim Procurement roles.

The purpose of this job is for the job holder to:

- Develop and manage the portfolio of projects (multi-million/high profile) requiring procurement in your area to ensure we conduct fair, transparent and proportionate procurements compliant to the Public Contracting Regulations (PCR's) and the Authority's own contract standing orders.
- Embed Procurement as a function into all that the Authority does, ensuring Procurement is focused as a key stakeholder and has representation where required on project and programmes boards.
- Support the building and development of a high performing procurement function which is adequately resourced and skilled to meet business needs. Manage team members to ensure the delivery of an excellent flexible compliant customer focused service.
- Work with Heads of Department and directors to develop Procurement approaches / sourcing strategies for bid submissions to central government to secure funding.

KEY RESPONSIBILITIES

- Empower and encourage staff to conduct delegated smaller-value procurement independently of the Procurement team. This will be achieved by the provision of a procurement manual and a suit of Procurement documents proportionate to the value/risks associated with such requirements.
- Support the implementation of a Sustainable Procurement Policy which aligns to the priorities of our local industrial strategy. This will include environmental sustainability, impact on climate change, ensuring the West of England Combined Authority's providers pay National Living wage as a minimum, social value, local supply chains and maximising value for money in an ethical and sustainable manner.
- Take a lead and active role in the South West Professionals in Procurement network aimed at sharing knowledge, best practice and providing opportunities to SME's in the region. Promote the Combined Authority's procurement as best in class function.
- Develop and fill in savings register to document and record value that the organization delivers (can be KPIS for the Commercial function)

- Manage the supply chain and business continuity risk assessment for the organisation understanding spend profiles and associated risks.
- Provide governance, leadership and management whilst demonstrating the West of England Combined Authority's values to Technical Procurement Specialists on Transport and Infrastructure projects. Support advise and be accountable for the performance of the technical experts.
- Prepare and input to papers for CLT / CEO'S with regard to Procurement and Commercial matters.
- Ensure the organisation procures following Contract Standing Orders and where this is not possible that it procures in line with exemption process.
- Advise the Monitoring Officer on amends and updates to the Contract Standing Order. Contribute and where appropriate lead in development and changes to policies and procedures.
- Respond to Procurement challenge whether through FoI or otherwise, advise to protect the organisation from potential legal challenge and de-escalate challenges.
- Ensure that all routes to market are considered so that the organisation achieves value for money in the most efficient, effective and appropriate manner.
- Look out for collaborative opportunities across the region and take the lead as required in regional procurement activity. Take an active part in seminars and panels to promote best practice procurement and support SME / regional suppliers.
- Challenge in a healthy and robust manner when appropriate to ensure the organisation remain compliant to regulation and internal policies to advise of risks and mitigations.
- Maintain knowledge of changing procurement legislation and advice and lead on changes where needed.
